

## 5. Transfer eBook to an eReader

Connect the eReader to your computer with a USB cable. Tap **Connect** on the eReader screen.

Watch the computer and the ADE program, once the Kobo and computer are connected the Kobo will appear under the ADE bookshelf menu (along the left hand side).

Click & hold on the eBook, then drag it to the Kobo named along the left-hand menu. Once the eBook is hovering over the Kobo, let go of the mouse.

A transfer progress bar will appear on the screen of the computer. Once the progress bar disappears the transfer to the Kobo is complete.

Once copied, safely disconnect the eReader from the computer.

Enjoy your new eBook.
