

Art Display Call for Entry – Selwyn Public Library

The Bridgenorth Branch of the Selwyn Public Library invites artists to submit samples of their work for consideration. We exhibit two-dimensional artworks including paintings, drawings, mixed media, prints and photographs. Due to space availability, three-dimensional artwork will not be accepted.

Exhibit space is offered subject to availability, and the Library reserves the right to schedule exhibits in a way that maintains all library functions and operations.

Exhibits are unsupervised and are accessible to the public during the Bridgenorth Library open hours, except when the space is required for library purposes.

The Library reserves the right to reject or remove any works or art which are deemed unsuitable for library public viewing, or to change the manner of display. In particular, exhibits must be reviewed within the context of the public space and its users.

All work must be ready to hang. It is the responsibility of the individual artist or artist groups to install and remove artwork on the pre-arranged dates and times under the direction of a Selwyn Public Library staff member.

The Library will supply the necessary wall hanging equipment (hangers, hooks, stepladder).

The Bridgenorth location of the Selwyn Public Library has a variety of wall space available for hanging works of art. The number of works that can be hung is dependent on the size of the finished work. The preferred location for hanging works is the feature display wall, with the other library walls being the secondary choice.

Submissions are preferentially accepted from September 22 to October 31, and will be reviewed in November. Submissions received after October 31 will be considered based on the availability of space.

If you have any questions about this matter, please contact Heather Jamieson at the Bridgenorth Branch at 705-292-5065 or by email at hjamieson@mypubliclibrary.ca.
