Audiobook Info & cloudLibrary

Selwyn Public Library does not purchase or own any audiobooks.

If you are searching for audiobooks specifically, you will not see any results under the **Featured** heading. You must click on **Browse**.

If an audiobook title seems to "disappear" it is because it is owned by another library and one of their patrons has borrowed it. It will reappear in search results once it's returned to the cloudLibrary collection.

Audiobooks have a 21 day loan period and will automatically return after the lending period.
